The two-day festival is a showcase for live music, quality fine art and crafts, and much more. The DCF Committee is a non-profit charitable organization, and all proceeds are used to produce the festival.

FOOD & NON-ALCOHOLIC BEVERAGE VENDOR INFORMATION

Food vendor booths are available for the 2022 Donkey Creek Festival. There are two tiers of food vendor booths. A vendor booth on the non-stage side of Donkey Creek is called a Tech Side booth. If you would like a Tech Side booth, please fill out the vendor application on page 3 of this form. The vendor fee for a Tech Side booth is \$150. Vendor location on the Tech Side will be selected by the Donkey Creek Festival Board. For application and information, see page 3 of this application.

A vendor booth on the stage side of Donkey Creek is called a Stage Side booth. These are premium booths and will be awarded to the highest bidder. To bid on a Stage Side booth, please fill out the bidding information on page 5 & 6 of this form. Only three (3) vendor booths will be permitted on the Stage Side and those will be awarded to the highest bidder. The minimum bid for a stage side spot is \$250. Bids must be received by Friday, March 25, 2022. Vendor location will be selected by the Donkey Creek Festival Board. For all details, see page 5.

Each food vendor booth space includes ONE 120-volt/15-amp double receptacle with 3-pin outlet with no exceptions and based on availability.

Tech Side booths: If your booth is more than 12' Deep, you will need to pay an additional space fee of \$150. If your booth is more than 12' WIDE, you will need to pay an additional booth fee of \$150.

Stage Side booths may be up to 12' x 30'.

Vendors are to provide their own display booth, racks and/or tables. Gillette College facility's picnic tables are NOT for vendor use. The festival takes place at Gillette College, where tent stakes can be no longer than six inches. Not all booth locations are perfectly level, so vendors are advised to bring leveling supplies for table displays.

Vendors are required to set up their booths – Donkey Creek Festival and Gillette College personnel will not assist with booth setup.

All food vendors must be setup by 3 PM on Friday, June 17th.

All food and beverage vendors must be licensed to serve in the State of Wyoming. If you have questions about state licensing or regulations, contact the Wyoming Department of Agriculture's Consumer Health Services at (307) 777-7321.

ELECTRICITY: Electricity is provided to Food Vendors only. ONE 120 volt/15-amp double receptacle with 3-pin outlet will be provided to each booth. Extension cords must be in first-class condition, adequately grounded, and at least 12 AWG-preferably 10 AWG.

The Wyoming state electrical inspector has authority to examine all electrical equipment, in which a fee is required for each inspection. Since electricity on College grounds is limited, only those electrical items designated on your electrical application and approved by the Donkey Creek Festival committee will be allowed.

GAS GENERATORS FOR MAKING ELECTRICITY ARE NOT PERMITTED.

PROPANE GRILLS FOR COOKING ARE ALLOWED.

WEATHER: Wyoming is known for sudden inclement weather. Vendors should be prepared for any weather changes. If the weather becomes severe, a Donkey Creek Festival coordinator will consider and determine suspension, cancellation, or relocation of part or all of event. There will be no reimbursement of booth or application fees due to weather.

TAXES, ETC: All participating artists are required to collect and pay the appropriate local and state sales tax. Please check on the sales tax percentage with the Department of Revenue provided online: <http://revenue.state.wy.us>

SECURITY: Limited security of the Festival grounds is provided on Friday night. Vendors are encouraged to secure their booths/belongings.

FEES: Each application must be accompanied by a check (Made out to Donkey Creek Festival) to cover the appropriate booth fee. Please note, deposit checks for the stage side vendor booths will not be cashed until the bids are awarded. We will not accept postdated checks.
